

Jim Green Assignments

Project Management

1980-96 Davy, UK - proposals in steel & aluminium.
2003-4 Atkins - Steel cold rolling & finishing in China;
1980 Rod mill Dalsbruk, Finland; 1980 Alloy and stainless
billet mill in UK,

Technical & Economic Studies

2013-14 MCI Cold rolling and coating in Turkey
2012 Nigerian Client LSAW pipe plant
2011 Private entrepreneur UK Roll bonding
2011 Danieli UK Process modelling for aluminium strip
2011 Monitor Forging & casting
2010 Hatch LSAW model
2010 Vallabh, India Temper rolling
2009 Parkegate, UK Steel hot strip mill
2008 MCI Concept studies on EAF, wheels, OCTG
2008 Hatch Hot strip mill capacity verification
2007-8 MCI Industrial complexes in Gulf states.
2006 Atkins Sheet piling, stainless bar & tube.
2005 JMI, Eire - Lead sheet rolling.
2002 Behre, Dolbear, UK - Aluminium casting and rolling
2002-3 Parkegate Engineering Consultants, UK – Process
model for Flat Rolling; Sendzimir mill in Thailand; 2005
Stainless steelmaking and strip rolling.
2002 UK client - Concept study on aluminium strip casting
and cold rolling to heat exchanger finstock.
2001 Beddows, USA - Cost model for seamless tube
2000 Atkins - Special steels plant at COST, Romania
2000 Corus Consulting, UK - Tube and bar rolling and
finishing for special steels.
1996 SEC, UK - Hot and Cold strip rolling mills, Galvanising
and strip finishing in Malaysia and Indonesia.
1988-96 Davy, Poole, UK - R&D for stainless steel,
aluminium and coated steel strip.
1982 Energoinvest, Bosnia - Economic model of
integrated aluminium works.

Training

2012 NAMTEC, UK, Training on Steckel Plate Mills
2003 Sheffield University, UK - Flat Rolling Technology.
2002 Shell International Petroleum - Steel processes,
equipment and markets, in Shanghai and London.

Due diligence & Business Planning

2012 Hatch Seamless pipe mill in USA
2011 MCI Steelmaking, slab casting, hot strip rolling and
welded pipe in Turkey: Strip market sizes: bar mill in
Angola: minimill in Ecuador: galvanising in Kosovo:
capacity assessment for Erdemir Group Turkey: valuation
of hot strip mill in Ukraine.
2011 Turkish client Seamless tube
2011 Atkins Seamless pipe in Ukraine
2010 Hatch OCTG finishing, USA
2010 GSC Steelmaking, and bar in Serbia and Albania
2010 Atkins Large pipe plant in UAE

2007 & 2009 GSC Bar mills and forging in Montenegro.
2009 & 2010 MCI Bar minimill in Nigeria
2009 Atkins Seamless tube, Saudi
2008 & 2010 EBRD Minimill for rebar in Georgia
2008 Atkins Section mills in Bahrain
2008 Hatch Seamless tube project
2008 MCI Modernisation of flat products, Ukraine
2007 MCI Wide plate mill and welded pipe in Russia
2007-8 Atkins Seamless pipe rolling and finishing.
2007 Atkins Bar and rod rolling in Latvia
2007 MCI Cold rolling plant in Nigeria
2006 HB advisers Special steels in Scandinavia; Valuation
of Erdemir Group in Turkey
2006-8 MCI Bar mills in Poland.
2005 Metals Consulting International – Hot & Cold Strip,
plate, wire rod, tinning, galvanising in Turkey.
2005 Mittal Steel - Iron ore exploitation, Senegal
2005 Hatch Beddows – Seamless & welded pipe mills in
Russia and Romania.
2004 PricewaterhouseCooper - Steelmaking & casting,
seamless & welded tubes, bar & rod in Croatia.
2004 Global Steel Consultants - Seamless tube mill in Italy.
2004 John Foord - Special steels bar and rod mill in
Malaysia. 2006 Beam mill in Malaysia
2004 Atkins for Balkans client – Sendzimir mill and
finishing in Bosnia.
2003 Atkins for Italian bank – Galvanising, Estonia.
2003 Atkins for ISPAT Indo – NSC, Philippines
Atkins for ISPAT International – 2002 Rolling mills at
Nanjing; 1999 Hot & cold strip at National Steel,
Philippines; 2001-2 Rails, sections, bar, rod, wire, plate,
hot and cold rolled strip, galvanising, tinning and coating
in Poland; 2004 Bloom, billet, bar and rod in Ukraine.
2001 USAid - Welded tube, in Bosnia.
2000 Japanese client - Galvanising in Venezuela.
1998 ISPAT Indo - Rail & heavy section mills in Romania
1997 Beddows- Seamless and welded tube in Venezuela;
1997 EBRD - Hot & Cold Strip Mills and Bar Mill at Ispat-
Karmet, Kazakhstan.

Expert Witness

2013 UK lawyers Billet defects in Turkey
2011 86 Pillars Water damage to stainless coils
2010 MacLarens Young Strip coating line in Saudi
2009 Transport counsellors Billet quality
2006 Mouchel Parkman Ice damage at Galati, Romania
2005 Corus, UK – Roller straightening of rail & section
2005 Mouchel Parkman, UK - fire damage at Karmet.
2000 Hunter, McLean, USA - Sea-damaged mill equipt.
2002-3 Atkins, for White, Case – Special steels rod mill at
ARCO Steel, Egypt; Blooming, rails, sections and tyre mills
at Resita, Romania.
2000 Atkins - Quality in steel billets and plates.
1997 Sidermac, Italy - section & bar mill in USA.
